THE SUN HAS GOT HIS HAT ON

SUNDAY will stay bright and sunny for most parts of England, clouding over later in the day in the far north.

Light showers are possible in the north west of Scotland, mainly along the coast.

Temperatures of 18C in London, 19C in Cardiff, 21C in Manchester, 14C in Belfast and 13C in Edinburgh.

Monday sees the bright, dry weather continue with longer spells of sunshine all over the country.

Temperatures of 19C in London, 18C in Cardiff, 20C in Manchester, 15C in Belfast and 16C in Edinburgh.

OUTLOOK: Dry and bright.

HOODED BEAUTIES: Chile's streets are filled with bare boobs

RED-HOT CHILE PROTESTORS!

Feminists get tits out for women's rights

HUNDREDS of women paraded TOPLESS through the streets yesterday as they protested for women's rights.

The bare-boobed beauties peeled off their tops and bras for a jaw-dropping display in Chile.

Most of the stunnas covered their faces with red balaclavas and two protestors even got down on all fours to get their point across.

Strutting their stuff down the streets of Chile's capital, Santiago, the women seemed intent on bringing the city to a standstill with their boobs-out antics.

One pink-haired babe, who covered her nipples with tape, raised her arm to show off her sexy hairy pits and had daubed 'My body, my decision' onto her chest.

GOURD BLIMEY! Melon farmer Linus posted pic of bizarre fruit on social media

MELON SUE!

Shock as telly host's face appears on fruit

CRASS. Crude. Sexist. Vulgar.

They are just a few of the more polite words used to describe Sue Perkins after the smug 48-year-old lesbian make a Horlicks of the BAFTA awards.

But after making millions cringe with her challenging presenting style, here's some good news for the telly host.

Her face has appeared in a WATERMELON!

Melon farmer Linus P Hoffbaker, who grows 3,000 acres of gourds near Atlanta, Georgia, found the face in one of his fruits last week, and the shared pic went viral.

Stratospheric

And interest went stratospheric when a Twitter user pointed out the face on the melon was Sue's.

Linus, 54, told *Sunday Sport*: "I'm afraid I don't know who this Sue Perkins is, but I'll take your word that she's some kind of TV person in England.

"I see millions of melons every year and dang if that ain't the truth, this is the first time I done seen a face in one."

Meanwhile, the real Sue drew the ire of *Good Morning Britain* host Piers Morgan after her BAFTA's performance.

The early-morning controversialist said:

SUNDAY SPORT EXCLUSIVE
By SEB WATSON

"Why is Sue Perkins allowed to make a series of crass, crude, sexist jokes about men, when a male host would see his career crucified for doing the same to women?"

British Olympic athlete Emily Diamond said if a man had made similar jokes there would be "uproar and people losing their jobs".

Sue rose to fame alongside Mel Giedroyc, 49, after the couple formed a double act at Cambridge University.

They went on to front *The Great British Bake Off* but stayed with the BBC when *Bake Off* was poached by C4.

The Beeb have been desperately trying to find the pair things to do – recently letting them loose on a reboot of *The Generation Game*, which was panned by critics.

MONDAY

CLOTHING retailer New Look is accused of imposing a "fat tax" after it is caught charging higher prices for larger sizes.

That's a cruel term. Why not make it more positive and call it a "heavy levy"? Or, even better, a "booty duty"?

We'd be more than happy to help out with that kind of assessment. Just call us the Breathe-In(land) Revenue.

TUESDAY

A REVOLUTIONARY pair of "self-washing" underpants goes on sale for men who want to save the environment by doing less laundry.

That sounds like a great way to go green.

Which is exactly what your missus will do when she agrees to give you a nosh after you've been in the same grundies for two weeks.

WEDNESDAY

THE East Coast Mainline is taken back under nationalised control after Sir Richard Branson's train network fails to make any money.

That makes a nice change.

It's not normally the Virgin who gives something long, hard and dirty to the government minister.

THURSDAY

MEGHAN Markle confirms her dad will NOT be walking her down the aisle at the Royal wedding – as he recovers from a cardiac operation.

Palace flunkeys explained to the Windsors that doctors fitted Mr Markle with three "stents" – small devices which help the heart function.

And that a "heart" is a kind of pump used by humans to push that ghastly warm blood around their bodies.

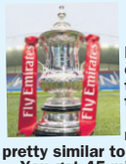
FRIDAY

SOME cheerleaders are sacked from a troupe in Brum after they were accused of singing racist songs.

The boss of the Birmingham Pussycats said he was "looking into it".

To be fair, it's probably hard not to when she's standing on your shoulders wearing a tiny skirt.

SATURDAY



IT'S a double celebration for much of the country as the FA Cup Final takes place on the same day as the Royal wedding.

Footie fan Harry was gutted to miss the big match, but luckily it's pretty similar to one's wedding night.

You get 45 minutes at each end – and if you're lucky you might even get to hold that precious trophy by the ears.

Vile internet fiends strike on the Royal wedding day

By SIMON DEAN
simon@sundaysport.co.uk

HERE are the pictures they all wanted.

Half-naked Meghan Markle being helped into her Royal Wedding dress by two ladies-in-waiting, just hours before her marriage to Prince Harry.

The crystal clear photos clearly show Meghan's pert breasts and toned thighs.

This series of images is the most sensational – and most controversial – ever published in a British newspaper.

Well, but for one small detail...

THEY'RE FAKE!

Sunday Sport can today EXCLUSIVELY reveal that these images – spreading around the internet faster than chlamydia – are clever phoneys.

What's more, the unique digital imprint of the images prove they were created in RUSSIA!

Last night Barrington Ferguson, a security lecturer at the University of West Lancashire, said: "Those dirty, drunken Ivan bastards are even trying to wreck the Royal Wedding.

"But, considering what the Red swine did to their own Royal Family, Harry and Meghan got off lightly."

A source at Buckingham Palace said: "Once again, we are grateful to *Sunday Sport* for exposing this forgery and attempt to sully the good name of Princess Meghan."

THIGH DRAMA: 'Bride' slips on a sexy garter

GOTCHA! Dennison (*inset*) tried to get close to Meghan inside a pantomime costume

Seat sniff perv dressed as a HORSE to get near Meghan's carriage

BEAST FACES JAIL

CRAFTY arse sniffer Clinton Dennison dressed as a PANTO HORSE in a bizarre attempt to get close to the carriage carrying Harry and Meghan after their wedding yesterday.

The oddball, 34, – only released on Tuesday from the terms of a house arrest that kept him away from the BAFTA TV Awards – travelled to Windsor with his bulky disguise after hatching the plan at his home in Crewe, Cheshire.

It's believed he got "nowhere near" the Royal procession, thanks to an eagle-eyed PCSO who realised that "something was amiss" with one of the horses.

A security source said: "Evidently, this gentleman could not persuade anyone to be his 'rear end'.

"The panto horse's hindquarters were just dragging on the ground.

"The part-time policeman realised there was something peculiar about this particular horse straight away and leapt into action.

"When he tried to feed it an apple, he realised it was not a real horse and raised the alarm. This Dennison man is bloody lucky he wasn't shot!"

Dennison now faces prison for disruption of a public event and will appear in court later this week.

I made a special cake for the bride & groom...but left the eggs out because Meghan HATES eggs

ROYAL supporter Fred Collins would have liked nothing more than to have joined the thousands all cheering on Harry and Meghan at their wedding in Windsor yesterday.

But, thanks to a raft of court orders which variously ban him from the vicinity of animals, children and St Johns Ambulance volunteers, Fred, 74, had to make do with watching it on TV.

The retired swimming coach did feel close to the Royal couple though – as he sent them a special cake to help them celebrate their big day.

Fred, of Leek, Staffs, explained: "I read that 2,000 people were going to the wedding and I thought, 'The Palace cooks are going to be ever so busy' – so I baked a cake to help with the buffet.

"I believe that Meghan hates eggs, so I left them out of the recipe and simply left them on the side.

"I love the idea of Meghan tucking into my little cake. I hope she likes it."

Carer sends w*nk video to OAP, 85

A CARER filmed herself performing a sexy strip and MASTURBATING with a DILDO – then sent the X-rated clip to her 85-year-old client.

Shelly Streck, 36 (*above*), dressed up as a kinky maid while she cleaned the old man's home and regularly peeled off her clothes for the OAP.

On one occasion, she filmed herself on her phone as she fingered her sopping wet minge and played with a dildo, which she later shared with the old boy.

However, her saucy antics were rumbled when the fella went to the Adult Protective Services wanting to alter his will to "leave everything" to Streck.

She has now been charged with two counts of abuse after police found she was trying to exploit the elderly gentleman using her body and her sex appeal.

Streck had been caring for the man's 82-year-old bedridden wife but turned her attentions on him in a bid to rinse the couple, from Enid, Oklahoma.

She denies any wrongdoing.

Snowflakes shun fun for vanilla life

HERE at Sunday Sport we cannot be the only ones to mourn the passing of 18-30 holidays.

At the beginning of the 21st Century, 110,000 young British people were going on Club 18-30 holidays each year – bringing in £48m in sales annually.

Your Sunday Sport was along for the ride – bringing you the best reports of sex, booze and mayhem from all the 18-30 resorts.

But less than two decades on, the brand's appeal is waning, with parent company Thomas Cook admitting it is open to selling.

The firm blames the rise of "ego travel" and Instagram for driving young people away from cheap package clubbing holidays and towards more photogenic travel opportunities.

And there you have it folks...

Soppy snowflake millennials would rather take a "selfie" in front of a lake than get their young cock sucked by some fat bird from Solihull.

They would rather go and "find themselves" llama trekking in the Andes than wake up face down in a Magaluf toilet.

What a bunch of bloody wusses!

This latest news does not mean merely the end of 18-30.

It means the end of the traditional British youngster.

Today's fledgling adults are all at risk of being middle-aged farts before they reach the age of 30.

They'll have no tales to tell, apart from: "Remember that time we took a selfie in Peru..."

That is so very, very sad.

Here comes the bride...

CONGRATULATIONS to Prince Harry and his new bride Meghan.

There's nothing like a wedding to cheer the mood, and the best thing about a Royal wedding is you can join in but don't need to take a present.

The uncaptioned photos show the couple enjoying life au naturel with their Coachman caravan – which they have cheekily called 'The Cuddlies'.

There are snaps of the couple dancing in a bar – in what looks like the Mediterranean – and of the buxom lady posing in cop gear next to a police car.

Others show the pair simply out and enjoying the sunshine.

One of the couple's many online fans said: "They look truly free. They are living as nature intended and look very happy and healthy for it.

HIPSTER PAID £3.50 FOR 'ARTISAN DWARF CABBAGE'

SPROUT OF ORDER: Giles with dog Bungle

SUNDAY SPORT EXCLUSIVE
By JONATHAN SMYTHE

WHEN hipster Giles White paid £3.50 for an "artisan dwarf cabbage" at a local farmers' market he couldn't wait to take a photo of his latest purchase and proudly show it off on social media.

But seconds after posting a snap of his "uber trendy" new veg on Instagram, Giles started getting waves of mockery from friends and followers...

Because the 39-year-old craft gin distiller had paid three and a half quid for a single BRUSSELS SPROUT!

Trendy

And the worst abuse came from his own MUM, Gloria, who called her trendy son "a daft little twat".

Blushing behind his luxuriant hipster beard and clutching his pug dog Bungle, Giles said last night: "I can hardly believe someone at the urban farmers' market would try and hoodwink customers like that.

"I've already written about the outrage on my blog and made a video describing the incident which I posted on YouTube. I actually cry in it – that's how angry I am."

Giles – from trendy Shoreditch in east London – added: "From here on in, I'm going to stick to traditional vegetables like sand-grown albino broccoli and distressed kale."

Last night his mum Gloria told *Sunday Sport*: "Giles has been a proper aggravating little c**t since he became a hipster.

"Three pounds fifty for a single Brussels sprout?! They must have seen him coming...well, of course they saw him coming. How can you miss him, with that ridiculous beard and that silly little dog?!"

Lesbian, 32, arrested for oral on teen

A RANDY lesbian was arrested after trying to lick out a teenage student.

Sara Jane Kane, 32 (*above*), tried to tongue the teenager's private parts while her father popped to the shops in Islamorada, Florida.

Monroe Co Sheriff's Office spokesman Adam Linhardt said Kane was staying at the home and was described to authorities as a "family friend."

The teen told her dad and officers that Kane tried to pull down her underwear and asked to perform oral sex on her.

Kane later denied the allegations, but was booked into jail on a charge of sexual abuse of a minor.

SCHOOL RUN

SARAH, 31, FROM MANCHESTER

DIVORCED Sarah has a daughter in the first year at primary school and a son who is in his third.

The single mum has been doing occasional shifts at a local massage parlour for three years – and says she LOVES every minute of it.

The 31-year-old told *Sunday Sport*: "When my youngest started school I decided that it was time to earn some money and properly support the family.

"My ex contributes what the court ordered him to, but not a penny more.

"It's only just enough to pay for the essentials. I want to take my kids on holiday and give them treats, just like everyone else does.

"I looked around and there was the usual stuff – working in supermarkets and the like – but the pay was pretty crap, to be honest with you.

"There's a lot around here who skim a bit extra by fiddling the social but I don't want to do that. There's nobody else to look after the kids so if I get sent down for benefits fraud, they'd be taken in to care.

"A friend-of-a-friend worked in a local massage parlour and told me to try it.

"I was naturally reluctant at first but found it quite easy from day one.

Ideal

"I like sex and I like meeting people, so it's the ideal job for me.

"I only work one shift a week but that brings in more than enough money. The punters pay £50 for half an hour and I get £30 of that.

"I explained to the woman who owns the parlour that I could only do daytime shifts and that was non-negotiable.

"She was fine with that – I'm not the only girl who works there who also has young kids.

"It's funny, really. At the end of my shift, I'll take off my basque and sussies and pull on my sensible dress to go and pick up the children from school.

It's like changing into a different character.

"Very soon after starting at the parlour I began to get regular bookings and most of my shift is now taken up by pre-booked regulars. You get to know them – some are married and they tell me about their jobs and their hobbies.

"They are a wide mix of people.

"One is a local businessman who pays just to look at my held-open fanny for half an hour while he wanks himself off. That's easy money!

"There's another fella who likes me to put a butt plug in his arse while he is on his hands and knees dusting the skirting board around the room!

"Most of my clients are just ordinary blokes who are horny and perhaps not getting enough at home.

"Maybe they have kinks and fetishes that they don't want to involve their wives in.

"Occasionally, I get the odd treat, too. A couple of months back this blond guy came in and even before he took his clothes off, I could see he had a fantastic physique.

"He took off his shirt and he was built like a Greek god.

"And when he took his trousers off, I almost fainted.

"His cock was the best part of a foot long and it was already stiff.

"It was as thick as a Coke can.

"I almost dislocated my jaw sucking it and when he put it in my pussy, I came straight away.

"My fanny felt so full and stretched.

"When he came, his cock jerked inside me and that made me come again.

"After that, I was ruined for the day.

"I had two more clients after that and their cocks felt tiny in comparison.

"But I certainly love the variety!"

MUMS WHO SELL SEX

SCHOOL run mums – most of them look like butter wouldn't melt, don't they?

Flapping and fussing as they pack little Tyson and Jemima off to lessons, all the time rushing to get home so they don't miss the start of *Jeremy Kyle*.

But look a little closer…

By GRACE HOOPER
news@sundaysport.co.uk

Some of those women hide a SEXY secret they wouldn't want any of the other mums at the school gates to know…

Research has found that among the dwindling numbers of stay-at-home mothers are hundreds – if not THOUSANDS – of HOOKERS!

The rise of the internet and adult services sites has made it easier than ever for yummy mummies to make extra pin money while their kids are busy in lessons.

Whoring

By the time the bell rings and it's time to pick up the nippers, mummy could have made a few hundred pounds.

Some mums make enough in just three days of part-time whoring to take the entire family on holiday for a week!

As part of our investigation into 'Sex In Britain Uncovered and Uncensored', *Sunday Sport* has discovered that upwards of 3 per cent of mums who have school-age kids have part-time jobs as sex workers during the day.

That may not sound a lot – but it means that in an average primary school with 500 pupils, more than a DOZEN will have mums retailing their private parts on the sly.

Two working mothers – whose identities we have agreed to conceal, to spare red faces at the school gate – spoke openly about their hookering experiences to *Sunday Sport*.

And today we print their fascinating stories…

LAURA, 40, FROM WORCESTER

MARRIED Laura has two young daughters at school and reckons her work as a part-time hooker helps keep her sane.

She said: "My girls, who are 8 and 10 – going on 18 – think that they know it all and that their mum is a real stick in the mud who never does anything exciting.

"Ha! If only they knew!

"They'll never be able to find out, though. They'd be mortified. And I'd be divorced!"

Laura said she decided to do escorting on the side after an evening drinking with a pal.

She said: "My friend and I talked about what we could do to earn some pin money.

"My husband provides well but I don't like the idea of being completely beholden to him for cash.

"Of course, I could have set up an interior design company, or something like that. But that would have been pretty boring and everyone's doing it.

"Much better to do a bit of escorting.

"It was my friend who suggested it – she'd read about escorting in a magazine. I remember saying to her, 'But no sex, of course!' She laughed, 'Of course there's sex – that seems to be the best thing about it!'

"My friend said she'd do it if I was game. We started off working together, for safety, and soon built up a few regular clients.

"We got a few bookings at nearby hotels and a few a bit further afield in the Midlands.

"But she stopped doing it after a few weeks. She didn't like the deceit.

"That's part of the fun for me.

"For me, it's fulfilling a fantasy as much as making a few quid. When I'm working, I become a character – I even call myself Roxanne when I'm working.

"And I like being a real slut when I'm in character. I say things like, 'F**k me hard with your big cock' and 'I want your hot spunk inside me'.

"I even do taboo stuff like anal.

"I would never do anal with my husband. Then again, we never do any sex now. That's another thing. It's amazing to feel desired by a man and f**ked, with no strings.

"Well, apart from money."

Laura added: "It's really strange, my double life. I get up at the same time as my husband, I make the girls their breakfast, take them to school and then come home.

"I have a secret smartphone that I keep in my dressing room – that's where I get contacted for bookings.

"I set my own hours so I may say I'm available 12 noon to 3pm on a Tuesday.

Slots

"An my slots normally get filled!"

Laura charges £250-an-hour for 'outcalls' – visits to a client – in a 20 mile radius of her home town.

She said: "I only do hotels, unless it's a regular and then I'll go to their home."

Laura says she has a full range of odd kinks among her regular clients.

She said: "I get the usual ones: spanking, peeing, that sort of thing. But there are some that I think, 'How's that sexual?'

"There's one guy who likes me to open and close his curtains while I'm wearing just high heels.

"He sits behind me in a chair, wanking himself off. And then he likes to come on the backs of my legs.

"There's another bloke who likes me to beat him with a teddy bear!

"It's a ragged old thing and it's matted with his spunk now.

"But what I like – what I really like – is hard f**king. No frills, just getting my wet c**t filled by a hard cock.

"Just filthy, dirty, loveless sex.

"It's such a turn on and more precious than the money I make."

Drunkard's joyride in ambulance ends in jail

A DRUNK patient stole an ambulance from outside a hospital then crashed it head-on into a school bus.

Cathal Doolin, 50, decided to discharge himself early from Our Lady of Lourdes Hospital in Drogheda, Republic of Ireland and wanted a quick escape.

The ambulance had just brought a patient to the hospital's A&E department and, while a paramedic was in the back of the vehicle, Doolin jumped in the front seat and locked the doors.

He then found the key and drove off, leaving the startled paramedic to hop out.

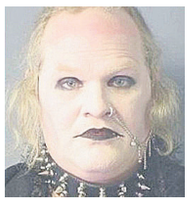
The ambulance then collided with a security barrier before heading out onto the public roads.

It was driven out to a rural area where it then collided with a 53-seater bus, as the bus driver tried to take evasive action.

Later, in a police interview, Doolin said he no recollection of driving the ambulance.

At Dundalk Circuit Court, he pleaded guilty to causing criminal damage to the ambulance, school bus and a security barrier as well as dangerous driving and having no insurance.

He was jailed for two and a half years.



Perv placed ad for bum wipe helper

A CONVICTED sex pervert who advertised for a personal assistant to "wipe my ass and wash my dick" has been charged with parole violation.

Terri Havens, 49, was investigated by police after posting the weird advert online.

One hopeful who responded made a report to cops after speaking to the oddball.

During a search, police say investigators learned that when placing the ad Havens had used a phone to access the internet – a violation of parole terms.

Havens *(above)*, who lives in Mount Morris, New York is being held in Livingston County Jail awaiting a hearing.

In 2003 Havens was sentenced to 13 years in prison after being convicted of sodomy.

KIM JONG-GUN: Giant weapon can carry nukes

CANNON & BALLS!

Kim's cock-shaped weapon

By VAL O'FIELD news@sundaysport.co.uk

NORTH Korea rolled out their most formidable artillery yesterday, just weeks ahead of leader Kim Jong-un's planned meeting with President Trump.

The boss Yank and the leader of the secretive Stalinist state are due to meet in Singapore on June 12 for an historic summit, which may officially bring peace to the Korean Penninsula.

It's thought that North Korea wheeled out its giant gun as a show of bravado, demonstrating that it is going into the negotiations from a "position of power".

The gun – called 'The Geodaehan Salamdeul-ui Chong', or 'Giant People's Gun' – can lob a one-ton shell 30 miles and can also be armed with a nuclear weapon.

But military wags have pointed out that the shooter looks like a massive, camouflaged COCK 'N' BALLS!

Former government strategic advisor Johnson Kensit told *Sunday Sport*: "North Korea don't want anyone to think they're crawling to the negotiating table.

"It's all about 'face' with this lot."

Despite hiccups last week, when North Korea released an angry statement saying it might pull out of the meeting, there are high hopes for the summit which many predict will win Mr Trump the Nobel Peace Prize.

Castration for 'goat gang'

A HERD of randy wild goats face CASTRATION after terrorising a town.

Councillors said the animals roaming the outskirts of Ennis in Co Clare, Ireland, were a "huge frustration" and risked causing car crashes.

The goats have even been "getting up on top of vehicles and going around businesses at night time", mayor Tom McNamara told a council meeting.

Councillor Mary Howard said townspeople "don't want to see them put down", so she suggested castrating the male goats.

OAP WINS POOL BALLS UP BUM CONTEST FOR 5th YEAR RUNNING

MY ARSE: It's tens up for Geoff as he wins 5th gold medal

WHEN it comes to getting pool balls the the arse, nobody can touch 68-year-old Geoff Samuels.

And retired accountant Geoff proved it on Thursday by once again winning gold in the annual Pool Balls Up The Arse World Championship in Fleetwood, Lancs.

Geoff's now won FIVE consecutive gold medals and is seriously considering quitting the pool-balls-up-the-arse game while he's ahead.

He said: "This year I got 10 balls up there, which was two more than Stan Baxter from Hartlepool – my nearest rival.

"I'm never going to beat that – to do so would be to risk a prolapse.

Dominate

"I reckon this is the end of my run. Quit while you're ahead.

"I'll give some of the new boys a chance.

"It's not fair for the old guard to dominate the Pool Balls Up The Arse scene. We need new blood or the tradition will die out.

"That's what happened to the Ballbag Tar and Feathering Championships at Glossop. I'd hate for Pool Balls Up The Arse to go the same way."

The origin of the 110-year-old championship is unclear but the first contest is thought to have been held in Portsmouth after a heated debate between British and US seamen.

Pool ball historian Ken Phillips said: "The story goes that there was a disagreement over whether pool or billiards was a better game.

"The Brit sailors said the Yanks could 'shove their pool up their arses' and that, apparently, is how it all began.

"Presumably, drink had been taken."

Teacher cried after giving 14-year-old pupil blowjob

A TEACHER and sheriff's wife who sucked off a 14-year-old student cried when she was hauled in front of a court.

According to witnesses, Dori Myers *(right)* was all smiles and laughing with her lawyer but burst into tears when her case was called.

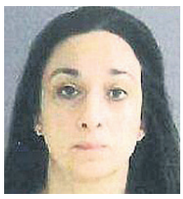
The tanned teacher, 29, faces charges of criminal sexual acts and endangering the welfare of a child by performing oral sex on the minor in Upper Manhattan, New York on November 1.

Myers, who is married to a Rockland County sheriff's deputy, was arrested after the teen told a classmate, who reported it.

She was also allegedly seen massaging the same boy by a co-worker, but maintains her innocence.

Myers is still employed by the Department of Education but has been assigned away from students.

She is due back in court on June 14.



Nurse nicked for bum fun with inmate

A PRISON nurse was nicked after she was caught having BUM SEX with an inmate.

Dana Gibson, 46 (*above*), of Montville, Connecticut, worked at the Corrigan-Radgowski Correctional Facility for more than a year, when she was charged with second-degree sexual assault – even though she was the one being bummed.

Prison laws state that an inmate cannot give consent to sex.

A snitch lag alerted staff at the nick in March that he'd caught Gibson taking it up the wrong 'un in the prison sick bay.

Officials questioned both Gibson and the inmate about the sex and both admitted it.

The inmate, who worked in the prison's medical unit, told officers that Gibson made calls to him from a prepaid phone, sent him letters signed with false names and deposited £200 into his account.

Gibson resigned from her job in March.

She was released after posting bail and is due in court again this week.

Poo protest drunk is a dirty Burger!

A PISSED-up bloke who was furious at Burger King being shut stripped naked, shat up the front window and walloped a police officer.

Manuel Silverio, 35 (*above*), had a meltdown after arriving at his local fast food place at 2am to find it closed at midnight.

Cleaning staff inside the eatery in Plainfeild, Illinois, were terrified as the hungry drunkard hammered on the window before staging his dirty protest outside.

Deputy Police Chief Eric Allen said: "He was visibly upset the business was closed and was banging on the drive-thru, screaming at the staff inside. He was heavily intoxicated."

Cops called to the scene calmed Silverio down but when they asked him about the plop, he attacked an officer.

He has been charged with public intoxication, criminal mischief, aggravated defecation and assaulting a police officer.

DON'T LET THE KNIFE GO DOWN ON ME: Nigel and four fans pose for the camera, moments before his knob chop accident

Seconds after this photo was taken she slipped & CHOPPED HIS COCK OFF

A GOOD-spirited Elton John lookalike convention ended in a BLOODBATH when one of the delegates got his cock CHOPPED OFF by four tipsy *Rocket Man* fans.

Nigel Foster, 56, was rushed to hospital after the gory mishap – where he remains in a "serious but stable" condition.

It's not yet clear if an operation to reattach the severed member has been successful.

SUNDAY SPORT EXCLUSIVE

By SEB WATSON

Last night a pal told *Sunday Sport*: "It's be a long *Yellow Brick Road* to recovery for poor Nige. But he's *Still Standing*. Actually, he's lying in bed…heavily sedated."

Tributes

Nigel, billed as the "Best Elton John Lookalike in Kidderminster", had joined 500 other Elton tributes and an army of Elton fans for the annual Northampton get-together.

But after indulging in rather too much of the event's signature cocktail – called 'Crocodile Pop' – Nigel decided to drop his pants and expose his genitals.

What happened next is not clear but a photo taken moments before the horror accident shows a female fan jokingly holding a plastic toy meat cleaver over Nigel's penis.

It is thought she slipped and chopped Nige's cock clean off.

A witness said: "There was a gasp, then a scream and suddenly everyone was shouting, 'Get an ambulance!'

"There was blood everywhere.

"I had no idea a joke shop meat cleaver could cut through real cock."

UNI 'SORRY' FOR COVER-UP ORDER

UNIVERSITY bosses have apologised after a "zealous official" posted a notice in the library, telling girls to cover up and "dress modestly".

A notice put up in the library at the University of Zambia campus in the African country's capital, Lusaka, advised: "Modest is the way to go!"

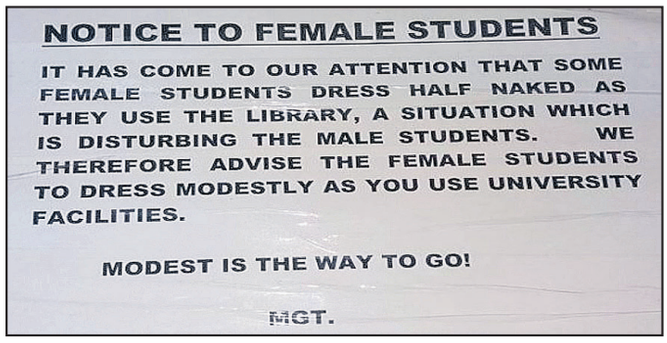
Offence

But head librarian Christine Kanyengo said the notice did not reflect the views of the library's management.

She said: "We would like to unreservedly apologise to our female library users for any offence caused.

"All female students should feel comfortable when using the library.

"Tolerance and diversity are the bedrock of our institution."



However, one male student, Killion Phiri, welcomed the ban when it was imposed.

He said: "How are you expected to concentrate on your studies when a girl walks in the library wearing a mini-skirt or a tight dress?"

AS PARTY HOL FAVE FACES CLOSU

KRYSTAL WEBB
30, 30G, from Birmingham

'...Her hand dived down my shorts in front of the crowd'

BACK in 2009, when I was just 21, me and my girls jetted off to party resort of Ayia Napa in Cyprus.

It was the first proper girls' holiday I'd been on and, as a four-strong group of horny, hot, single girls we wanted sun, sex and lots of cocktails!

We booked through 18-30 holidays because everyone was going with them at the time and we honestly had a blast.

We landed at around 8pm Cyprus time and, as soon as we dropped our suitcases in our room, we went straight out to the strip.

Cocktails

The cocktails were going down faster than we could count and shots were being dished out left, right and centre.

Before long we were more than merry and, when the DJ in the club announced there would be a wet T-shirt contest, me and my friend Ellie jumped at the chance.

I have huge 30G boobs and she has a cracking pair of 32DDs so we knew we were well in with a chance of winning it!

We took off our bras and put on a tight, white T-shirt each. Then we got up on stage while the DJ threw buckets of icy cold water at us.

Before long, the T-shirts were completely see-through and my nipples were as hard as bullets – and Ellie's were exactly the same!

The combination of alcohol and Ellie's stiff nips made me feel horny and to put on a real show I grabbed her and landed a proper snog on her.

She kissed me back and our boobs were rubbing against each other as we locked lips up on stage – it was so hot!

Then I peeled off her wet T-shirt and bent down to suck on her nipples as her hand dived under my shorts in front of a screaming crowd of boozy holidaymakers.

I felt her rubbing my clit and her fingers were probing at my wet fanny as I nibbled on her boobs.

Orgasm

All of a sudden I felt myself cumming on the stage and let out an almighty moan as I felt a massive orgasm wash over me.

It was no surprise the crowd went even wilder and the DJ announced us both as the winners – we drank for free in that club for the whole week!

That was just the start of mine and Ellie's kinky lesbian antics.

If none of us pulled a lad on a night during that holiday we just dived into bed with each other for some naughty girl-on-girl action.

"It was wet, wild and filled with all sorts of sexy fun!"

WE ALL GOT ON 18-30

WET AND WILD: How young folk used to holiday

WHAT happens in the Med stays in the Med.

That's the unofficial motto of Club 18-30 – and it's a good job, too!

Because Slippery Nipples, Sex on the Beach and Screaming Orgasms aren't just the names of cocktails...

They're the entertainment programme!

Sun, sex and sand...and more sex and booze.

Dangling

That's what an 18-30 holiday is all about.

Sadly, there's now a question mark dangling over the experience – with the brand under threat of being sold off by owners Thomas Cook.

By GREG WILKES
news@sundaysport.co.uk

The holiday giant reckons that soppy millennial snowflakes are too delicate for debauchery and would rather go to Roman ruins than take part in a full-on Roman orgy.

It's not clear if 18-30 will survive the present generation of prudish prats, who would rather chant "Ohhhh Jeremy Corbyn" than chat up a bird.

So today, before Club 18-30 is tossed into the dustbin of history by today's youngsters, we speak to three *Sunday Sport* models who have enjoyed 18-30 the way it's meant to be enjoyed...

'I grabbed two cocks and fell to my knees'

DON'T get me wrong – I had my fair share of fun during my younger years, but my girly holiday to Magaluf in 2013 was the best.

I headed to the infamous Spanish party resort with two of my close friends and we were staying in a hotel right on the strip.

In the room across from ours were four fit, hunky lads from Manchester and we wasted no time in getting to know them.

We went out with them clubbing on the first night and, although nothing happened, we were all flirting up a real storm.

On our third night, we headed out just us girls and bumped into the boys around midnight – by which time we were pretty tipsy.

I was wearing a tiny denim skirt and a white bra-style top which only just held in my 32G boobs.

I knew I looked good and the boys couldn't stop staring at my chest.

Once we were in the club, I started grinding against them, one by one, and two of them were more than happy to have a cheeky grope of my boobs.

Before long, I was snogging both the cheeky lads – Jack and Tom – as they took turns fondling my huge boobs.

When Jack whispered to me to follow them back to the hotel, I didn't take much persuading and, as soon as we closed the hotel room door they pawed at my clothes, ripping them off.

Horny

I was so horny and grabbed their two rock hard cocks in my hands and fell to my knees, taking turns to suck them off.

After enjoying a double blowjob, they picked me up and threw me on the bed and when Jack thrusted his cock into me I came hard and fast all over the bedsheets.

He shagged me energetically until his jizz exploded inside me and before I could recover, Tom's cock filled me up once more.

While Tom was boning me doggy style, Jack quickly got hard again and I stuffed his member in my mouth, taking his length down my throat.

Watching me suck off his friend brought Tom very close to climaxing and I felt him pull out and jizz on my back just as Jack's spunk filled my mouth.

As far as threesomes go, my first one was pretty amazing.

I didn't get a better bonk all week and no other threesome I've had has ever quite lived up to that night of Magaluf madness.

BOOZE, BABES & BOOBS: Young fit Brits get 'em out

EMMA GREEN
26, 32DD, from Camberley, Surrey

'I screamed out in pleasure as everyone cheered us on...'

I'VE always gone on 18-30 holidays with my best friend Katie – they are guaranteed to be full of fun and fit boys, so what's not to love?!

We'd done Magaluf and Malia and in 2014 we decided to head to the Greek island of Zante, as we'd heard loads of good things and it's absolutely roasting during the summer.

We jetted off with saucy expectations and, trust me, it didn't disappoint – it was the most amazing few days we've ever had!

One day we were taken on a boat trip by the 18-30 holiday reps and it was proper X-rated.

They'd planned tons of sex games and, of course, me and Katie were bang in the centre of all the action.

Positions

The sex positions game they started off with was pretty tame to be honest – we had to couple up with a lad and get into as many positions as we could in one minute.

Luckily, the lad I was paired up with was really fit, tanned, tall and muscly with a few tattoos.

He was throwing me around all over the place and it really turned me on – I felt my fanny getting wetter by the second.

We won and we managed 12 positions in a minute.

Then all the girls had to lie on a table while the lads took body shots off us – licking salt from our stomachs, taking the shot of tequila from our cleavages and then the lime from our mouths.

The lad, Alex, who I'd been paired with in the position game, was taking shot after shot from me, each time licking further down my stomach and getting closer to my pussy.

When he took the shot, he started nibbling my nipples and when the last lime was taken out of my mouth, he threw it away and planted a snog right on my lips.

Everyone else had finished the game, but we carried on playing and he slowly tugged at my bikini bottoms and began licking further south.

Noticing everyone had turned their attention to another game on the boat, I stood up and grabbed his cock through his swimming shorts.

"F**k me now!" I whispered to him, feeling more horny than ever before.

Moaned

Bending over the table, I felt his hands slipping my bikini bottoms to the side and moaned in pleasure as I felt his hard member fill me up.

It took less than five minutes for us to both reach climax, and I screamed out in pleasure just as a crowd somewhere behind us started to whoop and cheer us on!

Turning round, I realised the partygoers had stopped their game and were staring, open-mouthed, at me and Alex shagging each other.

"Free drinks for the shaggers!" I heard the rep shout, handing us a tray of shots.

"Oh my God, that was so hot, you horny bitch," Katie said to me when I walked back over to the crowd.

We put on a real show and, since shagging in front of the Zante booze cruise, I've had a real exhibitionism streak!

Dog catcher called in over mutt sex vid

A TROUBLESHOOTER is to be parachuted into a parish's animal control department after the former boss of the dog pound was sacked – for filming a woman having sex with a canine.

Booker Thomas Jr, 41, was fired and jailed after he was found guilty of filming dog pound worker Celina Ann Cabrera, 24 (*above*), having sex with the hound.

Cabrera was also jailed for crimes against nature after she admitted having sex with the dog.

The scandal rocked Caddo Parish Animal Services Department, based in Shreveport, Louisiana, and led to the resignation of animal services boss Chuck Wilson.

Now Caddo Parish have poached Travis Clark – a former dog catcher in the parish who has since moved to California – to ride into town and clear up the mess.

Alamo streaker gets tackled

A MEXICAN man was rugby-tackled to the ground by a Texas ranger for streaking NAKED at the state's most-revered shrine – the Alamo.

The nude oddball was identified as Hector Vincent Melero, 41.

He was arrested for the May 6 incident and later charged with disorderly conduct.

Benedict Cumber

Stars of acclaimed new drama STARKERS

IT seems posh Benedict Cumberbatch can do no wrong at the moment.

The Sherlock star won praise for his Doctor Strange in *Avengers: Infinity War* and now he's getting more plaudits for his performance on *Patrick Melrose*.

In the miniseries, showing on Sky Atlantic, Cumberbatch plays Patrick Melrose, a man from an upper-class British family who had a traumatic childhood that led to booze and drug addiction.

The series documents different phases of Melrose's life spanning decades, from his early life in the South of France, partying in New York, to his recovery back home in the UK.

The series also stars Jennifer Jason Leigh, Blythe Danner and Hugo Weaving.

And, as luck would have it, we've got some of the stars without their bras!

'Teacher's sex with melon in front of pupil'

A TEACHER had sex with a WATERMELON, a former student told the man's sex trial.

Damir Bulic, 46, is facing four counts of performing an indecent act and one of inviting sexual touching, all allegedly involving the same male teen

The alleged indecent acts include exposing genitals to and masturbation in front of the teenager.

The now-19-year-old lad told Bulic's trial: "We started having conversations about pornography and stuff. He showed me what he did with the watermelon. He had sex with it. He took a knife, cut a hole and had sex with it.

"I was three, four feet away. It was kind of weird."

The student said the sex happened when he was alone at the Bulic home in southern Ontario, Canada, near the end of the school year in 2011.

The trial also heard that Bulic crashed his car while masturbating while the teen was in the passenger seat.

The trial continues.

Dexter's got some fit leading ladies

AUDREY FLEUROT (ZOE CHAHAL)

BIG new Netflix drama *Safe* kicked off last week, starring *Dexter's* Michael C Hall and *Sherlock's* Amanda Abbington.

Safe focuses on Tom Delaney (Hall), an English kiddy surgeon and widowed father of two teenage daughters.

He is struggling to connect to his daughters as they still grieve the loss of his wife from cancer.

After 16-year-old daughter Jenny goes missing, Tom ends up uncovering a web of secrets as he frantically searches for her.

Safe is a French-American-British television co-production created by crime author Harlan Coben and filmed in the north west of England.

The only problem is that the north west of England (where it's filmed) is too cold for the leading ladies to get busters out.

But worry not.

Because we've got the snaps of them, sans vests, from previous roles.

Primary Miss admits tossing teen students

A PRIMARY school teacher accused of wanking off FOUR high school students faces five years in jail and a £7,000 fine after coughing to the charges in a plea deal.

Tennille Whitaker, 41 (*above*), was charged with four counts of sexual conduct between a school employee and a student.

She was arrested in June last year by cops in Elko, Nevada, on suspicion of sexual contact with two male high school students aged 16 to 18, and was charged with eight counts of sexual conduct with a pupil.

Four more counts of the same charge were added and included two more male pupils.

Three of the teens were 16 or older at the time of the incidents, which occurred on school property and other locations.

Whitaker resigned from the Elko County School District in August after teaching at Wells Elementary School for 11 years.

She will be sentenced at a later date.

Plane hero sits on naked nut

A PASSENGER that leapt on a NAKED madman who went berserk on a flight has been hailed a hero after he SAT on the nude loon for 45 minutes!

Nick Steffl leapt into action when the nutter started running up and down the gangway on the flight from Seattle to Anchorage.

Nick said: "I thought it was some kind of attack."

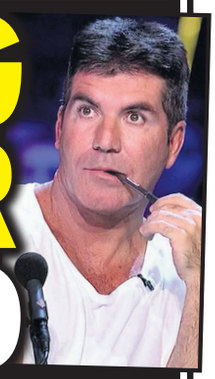
He and another male passenger helped restrain the naked man and the jet landed safely before the nut was transported to an Anchorage hospital.

Mr Steffl, 30, was on his way to Alaska for a summer tourism job.

He said the incident in retrospect had elements of humour but was not funny at the time.

A spokesman later said that airport police had responded to a "medical" incident on the flight.

BGT DOG JUGGLER ROASTED BY COWELL



SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

***BRITAIN'S Got Talent* head honcho Simon Cowell "hit the f**king roof" when a contestant attempted to juggle DOGS during an early round of the show.**

Gertrude Humphrey introduced herself as a "dog herder and juggler" before being ushered in front of judges to wow them with her act.

The 54-year-old, from Telford in Shropshire, began conventionally enough, getting her four pooches to leap over low fences and yelp the tune to the Lady Gaga hit *Bad Romance*.

But the judges began to feel uneasy when divorced Humphrey picked up the two smaller pooches.

A BGT source said: "Simon looked at David and David looked at Alisha. Amanda looked mildly surprised – but she always looks mildly surprised.

"Then this woman started to juggle the dogs! David and Alisha looked horrified. Amanda's face was a picture of mild surprise but Simon hit the f**king roof!

"It's not well known but he's a massive animal lover. He stormed that BGT was 'no place for animal exploitation' and ran onto the stage to stop this woman's act."

WHOA! Talk about causing controversy!

Three editions back, we gave you the sizzling five-page picture special Big Boob Blondes.

It was a huge success and readers loved it – well MOST of them did.

But, without realising it, we'd whipped up a storm by suggesting that gentlemen prefer blondes.

And we got so many sackloads of furious mail, our postman QUIT!

One fuming brunette fan posted us a DEAD FROG, while another threatened to haul us before EQUALITY WATCHDOGS!

Well, we're always open to reasoned debate so this week we're redressing the balance with an amazing Big Boob Brunettes five-pager.

By SIMON DEAN
simon@sundaysport.co.uk

Dr Franklin Toft, a sociology lecturer at the University of West Lancashire, explained: "Humanity is divided into tribes – but none of these divides comes close to that between gents who prefer blondes and those who prefer brunettes.

"You do know you'll have to do one with redheads next, don't you? Them ginger fans are real keen."

10 things you might not know about ROYAL WEDDINGS

1 **PRINCESS Di had a *Friends* moment as she made her wedding vows. Instead of saying "Charles" she said "Philip".**

2 WHEN she wed in 1947, the Queen – then Princess Elizabeth – had to use her clothing coupons to buy her wedding dress.

3 **WHEN the Queen's father – later George VI – married Elizabeth Bowes-Lyon, who became the Queen Mum, in 1923 it wasn't broadcast on radio as the Archbishop of Canterbury didn't want it played in pubs.**

4 QUEEN Victoria and Prince Albert's wedding cake was the first to be decorated with figures of the bride and groom on top. The couple also invented the white wedding dress, Christmas trees and the pierced bellend.

5 **THE first televised royal wedding took place on May 6, 1960, when Princess Margaret, the Queen's sister, married Antony Armstrong-Jones (later Lord Snowdon). More than 300 million watched.**

6 ROYAL fans accused David Cameron's wife Samantha of treason because she didn't wear a hat for William and Kate's wedding. She was never charged.

7 **HARRY and Meghan are the first royals not to have a fruit cake as their wedding cake. They're having a lemon and elderflower cake. Clearly nobody's told them elderflower is unlucky.**

8 BORIS Johnson, the then Mayor of London, gave Prince William and Kate Middleton a tandem "Boris bike" as a wedding present.

9 **QUEEN Victoria carried myrtle – known as the herb of love – in her bouquet. After the wedding, Victoria planted a myrtle shrub in her garden at Osborne House on the Isle of Wight. Every royal bride since has carried a sprig from Queen Victoria's bush.**

10 PRINCESS Augusta was so upset, she promptly threw up after marrying Prince Frederick, eldest son and heir of King George II, in April 1736.

Aussie critters are bonking to extinction

AN endangered marsupial may go extinct because the randy animals are all shagging themselves to death.

The tiny mouse-like antechinus argentus inhabits the highest peaks of Kroombit Tops in Australia.

Queensland University of Technology's Andrew Baker said the males have so much sex during mating season that their bodies produce fatal levels of testosterone.

He explained: "At the same time every year, they have three-week sex marathon sessions.

"It's really just a big session of all the males and all the females trying to mate with each other as quickly as possible and at the end of that…the males all die.

"They all drop dead."

Dr Baker said, by the time the babies were born, there was not one male left alive, which pushes the species into a corner.

HORROR FOR HARTLEPOOL SWIMMER

MAN-EATING SHARK SCOFFED MY SAUSAGE!

MEATY TREAT: Melody with her half-eaten sausage

A MANEATING shark had a narrow escape – when it chomped a jumbo sausage belonging to tubster grub fan Melody Atkins.

SUNDAY SPORT EXCLUSIVE
By BARNEY SAMUELS

Melody, 34, had gone for a dip off Seaton Carew, Hartlepool, when the giant fish – believed to have been a fierce porbeagle shark – took a bite out of her meaty treat.

Melody explained: "It was proper hot on Thursday so I went for a swim to cool off. I always get a bit peckish when I'm having a swim, so I took a sausage from Ali's Van with me.

"There I was, floating along, minding my own business, when this bloody great shark jumps out of the water and takes a big bite out of my banger!

"I yells 'Hoy! Ya bastard' and twatted it on the nose and the bastard swum off into the deep – with half of my sausage in it's f**king mouth!

Quid

"That cost me a full quid! I started screaming and screaming and next thing I know a lifeguard's swum out to rescue us. He grabbed me right under the tits and says 'I'm rescuing you!'

"I says 'F**k rescuing me – what about my sausage. F**king shark's had half of it!'"

Melody now plans to sue Seaton Carew Parish Council for the cost of her sausage plus a million pounds damages for "emotional trauma".

Last night a council source said: "If we paid out a million pounds for every fat bird who dropped a sausage on Seaton Carew beach we'd be proper f**ked."

Melody's is not the first attack by a killer porbeagle in British waters in recent days.

Last weekend fisherman Max Berryman, 21, was taken to hospital after being bitten by a shark – thought to be a porbeagle – off Cornwall.

Even NUNS swallow social media sewage

NUNS have been told to spend less time on social media.

The Pope has told the Catholic Church's 38,000 cloistered nuns that tweeting too much intrudes on a life of prayer.

In a document titled "Cor Orans" – Latin for "Praying Heart" – nuns are taught how to apply Pope Francis's Apostolic Constitution, which was issued in 2016.

It warns that "it is possible to empty contemplative silence when the cloister is filled with noise, news and words".

Nuns should use social media with "sobriety and discretion", it continues, and "that they may be at the service of formation for the contemplative life and necessary communication, and do not become occasions for wasting time or escaping from the demands of fraternal life in community".

Hooked

It adds: "Nor should they prove harmful for your vocation, or become an obstacle to your life wholly dedicated to contemplation."

So to the existing Ten, we can add another Commandment: Thou shalt not be hooked on Twitter.

I'm sorry, Your Holiness, but I think this may be similar to the Parable of the Foolish Man Pissing in a Hurricane.

Social media is a plague that's with us – and it's every bit as terrifying as them frogs and boils that Him Upstairs visited upon the Egyptians.

Take a look around you.

Driving about, you see that just about anyone under the age of 40 is merrily wandering into traffic with their stupid snout stuck into their smartphone.

Since when was an mpeg of a f**king dancing cat more important than the Green Cross C**ting Code?

There's more sinister stuff at work, too.

On the left and right, fake news is being shared to push extreme political agendas.

This bollocks gets shared – and, no doubt, believed – by thousands, if not millions, of people before someone pipes up: "Er, this IS bullshit, you know?"

Twitter, especially, is nothing more than an unholy cross between a lynch mob and an open sewer.

Years ago, the brilliant BBC science series, *The Day The Universe Changed*, predicted Twitter.

Slurry

Presenter James Burke spoke of anyone with a computer being able to publish news and opinion and be heard all over the world at the push of a button.

What he forgot to mention is that twats can buy computers, too.

Anyone within spitting distance of a Wi-Fi connection can dip their feet in a torrent of electronic slurry containing lies, hate and ignorance.

Of course, social media is not all bad.

It keeps people in touch and there's some good gardening tips in the groups I'm a member of.

But there's also a lot of toxic rubbish in there, too.

And even Brides of Christ are hooked on this poison.

God help us.

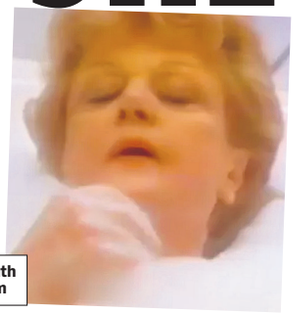
MURDER SHE GROPED!

Star Angela Lansbury in shock sex video



SENSUAL: Angela takes a bath in fitness and well-being film

IT'S the video you thought you'd NEVER see...

Murder She Wrote star Angela Lansbury NAKED in the bath, talking about SEX and doing a very good impression of a woman FINGERING herself!

The *Bedknobs and Broomsticks* actress was a spry 63 when she filmed *Angela Lansbury's Positive Moves: My Personal Plan for Fitness and Well-Being*, back in 1988.

Set to soothing music, Lansbury walks viewers through her daily routine – beginning with a "mini-massage with aloe lotion" that allows her to "stay in touch with her body."

The camera lingers over the exposed skin of Angela's tastefully towel-draped frame as she smears herself with moisturiser – sensually rubbing it into her calves and temples while her face goes slack with pleasure.

Coming

She says: "I think about each demand that will present itself in the coming day and I visualise myself meeting it easily and well."

A quick stop to change into a pastel-coloured jumpsuit, the star then walks viewers through several exercises that she devised herself.

But then comes the shock twist...

The pastel jumpsuit is cast aside so Angela can get down to business as she then takes a bath surrounded by "soft towels" and fragrant oils".

She tells her audience: "It used to be thought that women lose interest in sex after menopause, but now we know that just isn't true."

The three-times Oscar nominee then arches her feet into the air as her hand slips coyly beneath the bubbles.

Last night a *Murder She Wrote* fan told *Sunday Sport*: "Holy Mary, Mother of God! That's bloomin' Angela Lansbury! Off *Murder She Wrote*! Naked, in the bath! Sweet Jesus, would you look at that!"

GREAT RELIEF: Kat poses with pint-sized punter

SHOCK EXCLUSIVE

STUNNING Kat Lee has risked ARREST and a PRISON SENTENCE after giving a lucky DWARF an amazing TITWANK in Dubai.

The high-class hooker, 26, was enjoying a sun-soaked break in the oil rich state when she got jiggy with a pint-sized punter.

In one of her most outrageous jobs to date, the busty brunette arranged to meet the vertically-challenged little fella and gave his cock some pleasurable relief with her generous 34FFs.

Luxury

However, Dubai is notorious for taking a hard stance against any kind of sexual antics – never mind tit-wanking midgets in the city's luxury sky-high buildings.

Kat told *Sunday Sport* about her exploits in the Arab state in an email and captioned a photo of herself with the gentleman: "Tit wank in dubai lol with the midget."

As well as satisfying the locals, Kat has posed in her bikini while on her trip and also shared snaps of her smoking a shisha pipe.

Now dog shagger's kittens are taken into care

SICKO: Carey was jailed for violating his animals

A VILE pervert who admitted having sex with his dog has also had his pet kittens taken into care.

Cops and cat social workers feared that self-confessed sex monster Martin Carey may have been molesting the baby felines, as well as his dog, to quench his vile lusts.

Carey had already admitted to police that he'd had sex multiple times with his Bull Mastiff, called Mr T.

He was immediately taken to prison for violating his probation conditions.

By SIMON DEAN
simon@sundaysport.co.uk

Carey was given probation last year after he was caught furiously masturbating at an animal park in Virginia Beach, Virginia.

After that case he told the court: "I'm done with all that perversion. From here-on in, I'm going to be the model citizen."

Intentions

But those good intentions have come to nothing, a local police source said last night.

The source told us: "I said right back then that this man is an irredeemable pervert.

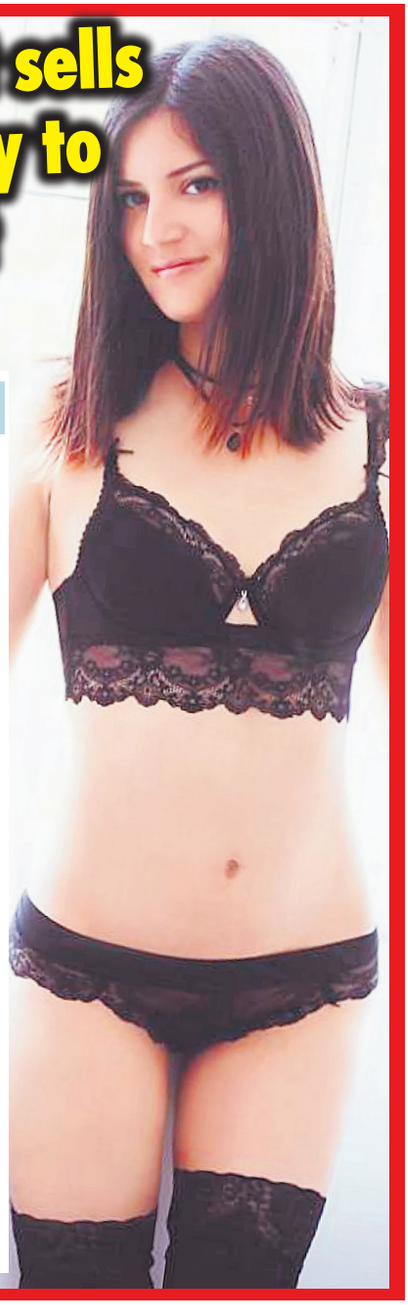
"When I think what this beast's been up to with that poor doggie and those little kittens, it done makes my blood done boil with rage. Yes it does, sir.

"Ain't no dungeon in the whole Commonwealth of Virginia that's deep enough to hold this devil."

The dog and the cats – which cannot be named for legal reasons – have been rehomed and are said to be "doing well, but jumpy."

INNOCENT PETS: Carey admitted sex with his dog Mr T and *(above)* the baby kittens

Student sells virginity to highest bidder



By BECCA STUBBS
becca@sundaysport.co.uk

A STUDENT has decided to auction off her VIRGINITY after failing to find a boyfriend because she's been too busy studying.

Teenager Alice Hayson has set up a website where interested fellas can bid for her first time, with the option of 'buy it now' if they want to cough up £1million.

The Spanish 19-year-old, who now lives in Latin America, claimed she's already had an offer of £250,000 from an Italian businessman.

Exploring

She said: "I am convinced this is the best decision for me as I have zero sexual experience and I am interested in exploring my sexuality.

"I come from middle class family. I have some family members struggling with debts that I want to help."

"Now that I am older and not looking for love yet, I decided selling my virginity is the best option for me.

"It's been two weeks since I made this auction public and I'm happy with how it is going."

Alice, a part-time model and student, said she was always focused on studying and never paid attention to boys, hence her lack of experience between the sheets.

She is hoping to use the money she makes to study astronomy.

Streaker hit people with his rubber cock

A MAN who ran naked in a busy street while brandishing a 12" sex toy has been sent to the loony bin.

Tanner Young *(left)*, 24, was arrested after he stripped off his clothes and scampered down a high street while bashing people over the head with the huge rubber cock.

Witnesses say that Young was "jabbering like a monkey" and at one point onlookers feared he was about to defecate on the pavement when he squatted and "started grunting".

Police arrived as Young was sitting on a bus stop bench in Lowell, Arkansas, furiously masturbating and waving the dildo.

He was initially taken to jail but after an assessment by a police doctor was taken to a secure nutcase ward.

KATIE MARIE & EMMA SOAK UP THE SUN!

STAYING AFLOAT: These babes have great inflatables

THAT epic snow-blown winter already feels like a distant memory now that spring has finally sprung and the sap is rising.

And what could make the sap rise even faster is some lovely pictures of *Sunday Sport* babes Emma Glover and Katie Marie skylarking topless in a swimming pool.

Our snappa caught up with the busty beauties at a private villa in Majorca hired – at great expense – using cash from the *Sunday Sport* pension fund.

Katie Marie, 25, from west London, who has 32E boobs, said: "We had a top time splashing around.

"Modelling is not all hard work, you know!"

And stunning Emma, 26, from Brentwood, Essex, who has 30G boobs, laughed: "My bikini bottoms came off at one point!"

Send us an SAE and £20 for THOSE snaps, folks…

(Only joking! – Ed)

FAVE HOLIDAY: Greece

FIRST TIME

CHARLOTTE: I'd just turned 18 and was on my first holiday with my then boyfriend.

We went to Tenerife and stayed in this awful self-catering place.

On the first night we went out and drank a load of Sangria and I was feeling a bit tipsy.

We walked along the beach on the way back and ended up doing it in the sand.

We'd done pretty much everything else and I'd planned to have sex with him on holiday, so I wasn't too nervous.

I think the alcohol helped, though!

It was a bit messy, and we had to be quick – in case anyone saw us.

We were only there for a week, but did it about 20 times before we flew back home!

ALICE: I lost my virginity in the back seat of my boyfriend's car!

He had this crappy old Fiesta, so it wasn't particularly comfy.

But both our parents were pretty strict and would never leave us alone together.

I remember it hurt a little bit, because I wasn't very relaxed, but once he was inside me it was great.

FIRST ORAL

ALICE: As I said before, my fella and I didn't get much time alone because of our parents, so the first time I gave him a blowjob was at a friend's party.

She had hired the local rugby club for her 18th birthday.

At one point we sneaked off into one of the rooms that wasn't being used and I went down on him in there.

It was quite dark, so I couldn't see what I was doing much, but he didn't complain.

I really didn't like the taste of his spunk though, so I ended up spitting it out into a glass that was on the table.

I just hope no-one tried to drink it!

CHARLOTTE: I'm glad my parents weren't as strict as yours. My mum was cool about having boyfriends round, but my first boyfriend hadn't a clue.

I tried to give him a blowjob once while we were watching a film.

He was so nervous he couldn't get it up and probably still has problems today!

The next guy was much better.

I was seeing him for about three weeks when I went down on him.

He had a massive cock and I really enjoyed sucking and licking it.

He lasted ages, too, before he came in my mouth. I've always liked gobbling blokes – it really turns me on, too.

FIRST BUM FUN

ALICE: I only tried bum sex with my last boyfriend. We were going out for nearly two years, so experimented with pretty much everything.

We had anal sex about once a month, and quite often it was me that suggested we do it.

The first time I was quite embarrassed about it, because I really loved it. But I thought he might think I was a bit easy or something.

But we spoke about it and he said he thought it was brilliant that I liked it.

Just telling him I wanted him to do me up the arse used to turn him on.

Sometimes he'd stick vibrators up there and just watch me cum.

He was pretty kinky, but we split after I found out he'd been sleeping with a slapper from work. Shame really.

CHARLOTTE: What bloke doesn't want to f**k a woman up the arse? Nearly all my boyfriends have tried it on, but it's not something I'm interested in.

I respect you for liking it, but I jut find the thought of it a bit dirty.

I don't think I could relax enough.

FIRST ONE-NIGHT STAND

CHARLOTTE: My first one-night stand was when I was 18, with a lad who was at college with me, but he was a couple of years older.

I'd fancied him for ages, so when I saw him out in a club one night I plucked up the courage and made my move!

I pulled him and invited him back to my place – it was obvious what was going to happen. And because I fancied him so much, the sex was brilliant and I felt great the next day.

There were no regrets at all.

ALICE: I had my first one-night stand last year. I used to go to this fancy restaurant and fancied one of the waiters who worked there. I started flirting with him, one thing led to another and we ended up sneaking into an upstairs room for a bonk.

The sex was incredible and it was lots of fun, too.

I liked it because it was just sex – nothing more – so we could be as naughty as we liked.

FIRST KINKY STUFF

CHARLOTTE: I'd always fancied being tied up and blindfolded during sex and when I was 18 I managed to convince my then boyfriend to do it with me.

We had a great time, although I didn't like being blindfolded because I didn't like not knowing what was going to happen next.

But being restricted was a huge turn-on and the sex was fantastic.

ALICE: My first foray into bondage was when I bought some handcuffs when I was 19.

I fancied dominating my boyfriend so I handcuffed him to the bed one night. He wasn't expecting it and looked terrified at first! The sex was brilliant though – it went on for about two hours.

I really loved being in control and I'd like to try more in future.

I reckon that being spanked is fun!

FIRST DRESSING UP

ALICE: I was a bit of a Goth when I was younger, and one boyfriend was really into the whole fetish scene.

One Christmas he bought me this black rubber basque, blindfold and handcuffs.

The sex was amazing – he used to tie me up then lick my boobs and work his way right down to my toes!

He also had a big thing about sucking them – I wasn't that fussed to be honest. It was a bit ticklish, but he'd almost cum doing it.

Then he'd bang me while I was still tied up. I had the best orgasms ever doing it that way.

CHARLOTTE: I love being the submissive one in the bedroom, and even when I'm not tied up, the missionary is my favourite position – especially if the guy holds my wrists while we're doing it.

The first time I dressed up and had sex was at a mate's fancy dress party and I went as Wonder Woman.

My boyfriend thought the shorts and red bodice top were really sexy.

When we got home I took the bottoms off but kept everything else on.

It felt a bit silly, but we had amazing sex, so that's all that matters.

Now I prefer sexy undies with a pair of killer heels.

I've also done it wearing a naughty nurse's outfit – that really hit the spot!

He loves to tie me up and lick my boobs...then work his way slowly down to my toes

CAMILLA'S LOLLY LESBO LUST REVELATION

By WENDY THOMAS
news@sundaysport.co.uk

FIERY redhead Camilla Quance knows exactly what she wants...

And occasionally that includes hot PUSSY!

The 32G stunna once had a full-on relationship with mega-filthy Brit porn babe Lolly Badcock.

But Camilla, originally from Penzance, Cornwall, had no trouble keeping up with sex-mad Lolly.

Kinky

She said: "I've done the works when it comes to sex. Most of my kinky desires I've already acted out.

"There's not much left for me to try, to be perfectly honest.

"I guess you could say I'm a nymphomaniac of sorts!"

LEGENDS OF PORN

PART 4 LUCIE WILDE

THE only trouble with Lucie Wilde is she very seldom cracks a smile.

By PENNY MARSHALL
news@sundaysport.co.uk

To be fair, most people would struggle to smile with two huge cocks wedged into their arsehole – a speciality of the 22-year-old beauty from Prague in the Czech Republic.

But what Lucie lacks in grins, she more than makes up for with her IMMENSE busters.

Her 34L whoppers are indeed a thing to behold – especially when they're swinging like church bells as she gets bummed hard and fast from behind.

And in case you're wondering, they're all natural, too!

Lucie's adult modelling career started in 2014 – just after she turned 18 – when she did a session with legendary porno producer Denys Defrancesco.

Since then, she's done the lot – famously for the LegalPorno website which is renowned for its "robustness".

Fans of the tinkle will be glad to know that Lucie – who also uses the modelling name Busty Buffy – has even done a watersports scene.

Ah, lovely!

What was

A weird little mini skirt thing modeled here by Frankie could have been Megan's choice of under garment... but i don't know why... its hot, but not very practical.

Possibly a rather "fuck it, i'm a princess now so you cant tell me what to do" attitude could have been taken, and something along the lines of the 'trashy bride to be' look modeled by Sasha could have been on the cards. But we doubt it.

Meghan wearing under that dress?

STOCKING THRILLER: Meghan's sure to look great for Harry on their wedding night

THE good people at Television X all gathered around the telly to gawk at the Royal Wedding, but they only had one question on their minds... what would jammy little Prince Harry be seeing under Meghan's dress on their wedding night?

We've got some sexy images from the TVX vaults to show you some possible options that Meghan the minx could have gone for...

A SIMPLE see-thru set as modelled by Adreena?
It's sexy and subtle, but just the right amount of naughty to make sure Harry would have rised to the occasion after all those glasses of posh plonk.

THE classic Suspenders and stockings as seen on stunning Ania is for sure a possibility.
Its a timeless look that never fails to keep a blokes attention.

A SILLY frilly negligee as modeled by Alicia.
This one would keep her boobs out for bouncy time in the bedroom, but also keep her little pot belly covered if she was feeling a little self conscious after scoffing all that wedding cake.
No judgment here Meghan.

GORGEOUS Michelle Thorne models a cheeky corset – as well as two massive dongs.
This would help Meghan keep her figure over the long day of eating wedding food, whilst simultaneously keeping her tits nice and pert.
A strong contender indeed.

OR our favourite...the simple stockings and nothing else look as modelled by Tamara.
I'm sure Meghan could pull this look off, just thinking about it is making me want to pull ME off!

All of these options are a possibilty – we here at *Television X* are sure that what ever she went for she looked amazing.

We only wish that Harry had drunkenly snap-chatted a part of his wedding night to the world, and I wouldn't put it past him. The guys great like that!

If you are interested in taking this 'research' further, then head to www.TelevisionX.com where you can see all these filthy babes in action whilst wearing these saucy little numbers.

Or call 0871 075 6969 and talk a member of our team 24/7 and they will make sure to 'sort you out'.

VICTORIA MAKES A BIG SPLASH!

By WENDY THOMAS news@sundaysport.co.uk

IMAGINE the scene...

You've just got back home from work and you hear a splashing in the back garden.

You go to investigate and what do you find..?

Only 25-year-old porn star Victoria Blaze in the altogether, cooling herself off in your swimming pool!

Holiday

And that's exactly what happened to the 34C stunna when she was on holiday with a few girlie pals in the south of France.

The Czech-born hottie said: "We thought this place was deserted, so we all jumped in the pool.

"But then the owner came back and he would have been furious but we let him f**k us. That made it OK."

PICK

TODAY

MONDAY

The NHS Heroes Awards – ITV, 8.30pm

PAUL O'Grady hosts a ceremony marking the 70th anniversary of the National Health Service, honouring frontline staff and giving insight into the vital work they do every day.

Among those leading the tributes are Prince William, the Duchess of Cornwall, Elton John, Shirley Bassey, Simon Cowell, Tom Jones, Amanda Holden and Boy George.

You're expecting me to say something cynical now, aren't you...?

Tempting, but these guys who serve among the blood and shit deserve all the plaudits they get.

Robbie's rich rollercoaster ride

Robbie's War: The Rise and Fall of a Playboy Billionaire – BBC2, 9pm

ROBBIE Tchenguiz was once among Britain's super rich, a flamboyant property tycoon who amassed a fortune in the days when it was possible to have £16billion of assets, but who lost billions in the financial crash and was arrested on suspicion of fraud.

This documentary follows him as he fights to save his home – a mansion next to London's Royal Albert Hall worth an estimated £20million – and his business empire.

The poor fker's down to his last £850million apparently. Show him where the food bank is, eh?**

OF THE TELLY

By BARNEY SAMUELS

Home was... a cave in Gibraltar

Neanderthals: Meet Your Ancestors – BBC2, 8pm

ARCHAEOLOGIST Ella Al-Shamahi examines the reasons Neanderthals became extinct, visiting caves in Gibraltar which are the last recorded homes.

The computer-generated reconstruction of a Neanderthal based on surviving remains is aged up to the end of his life, revealing evidence that he received medical attention, suggesting he was part of a community.

Plus, a look at Neanderthals' surviving influence on modern humans.

A Very English Scandal – BBC1, 9pm

I HATE to recommend anything with that tabloid press-hating twunt Hugh Grant in it, but this is a drama based on a very bizarre political scandal.

Grant stars as Jeremy Thorpe, the leader of the Liberal Party in the 1960s and 1970s, who bums stable hand Norman Scott (Ben Whishaw) prior to the decriminalisation of homosexuality.

As his political career takes off, he becomes determined to keep his resentful former lover silent – a situation that results in his being accused of conspiracy to murder.

The Handmaid's Tale – C4, 9pm

ADAPTED from Margaret Atwood's novel, the first series followed June, known as Offred (Elisabeth Moss), as she began her life as a handmaid in dystopian future America at the bottom of a new totalitarian regime, utilised for her fertility by the barren ruling classes.

The series one finale saw Offred fall pregnant, but the identity of the father remained a mystery. Could it be the Commander (Joseph Fiennes), or young driver Nick?

If your missus is a bit of a feminist sort, expect to have to watch this.

But don't fear, if it's anything like season one, there'll be a bit of tit in it.

TUESDAY

Manchester: The Night of the Bomb – BBC2, 9pm

ON May 22nd, 2017, a Manchester-born c**t detonated a homemade bomb at an Ariana Grande pop concert, killing 22 people and himself.

It was Britain's deadliest terrorist attack since 7/7.

Cameras reveal the story of that night through the eyes of teenage girls who survived the attack and key members of the emergency services.

It's hard to believe it's been a year since that awful night.

The Sex Business: Working from Home – C5, 10pm

PROVIDING sexual services in their own homes, escorts are one of the biggest growth areas in the British sex business.

This episode follows three independent escorts, each of whom pride themselves on being in control and say they enjoy the luxury of selling sex out of choice rather than necessity.

Will the purse-lipped feminists who would take away these women's livelihoods see their point of view?

Of course they f**king won't.

DON'T MISS THIS!!!

Carry on Brussels – C4, Wed, 10pm

UNRIVALLED access to the European Parliament during Brexit negotiations, following an eclectic group of British MEPs from across the political spectrum during one of the most historically significant times of the European Parliament's existence.

In the first episode, the festering animosity between British MEPs is at an all-time high, and a lively debate in Parliament leads to a dramatic walk-out.

This observational series by Christian Trumble gives a sharp taste of what it means to be a British MEP at a time when they are an endangered species.

THE WORLD FAMOUS AGONY Page

Dear Lexi,

NOISY neighbours get right on my f**king tits.

Take the prick I'm living next door to now. When he mows his lawn it's at half f**king eight in the morning.

But that's not the worst of it – he's had the cheek to knock on my door and tell my missus to keep the noise down while I'm shagging her, as it's frightening his parrots!

Well, after this episode I went round to give him a piece of my mind and his wife answered the door.

She was immediately apologetic and invited me in for a cuppa.

She told me she got off on listening to our sex noises.

Does this mean she wants a piece of me?

GH, Chester

Lexi says...
Sorry, but I think you're living in some kind of fantasy world!

Dear Lexi,

I'M the lead guitarist in a band and I've got a huge problem with our singer.

I know all about groupies, as we get a fair few of them hanging around after our gigs.

I'm in a relationship so I never bother with them but our singer is with a different bird every gig.

At one show he told me he'd just boned a groupie BEFORE the gig because he really liked her black and white striped leggings.

But later on, after we'd been on stage, I saw my girlfriend walk in – wearing black and white striped leggings!

Should I dump her and jump on a groupie? Please help!

PM, Lancs

Lexi says...
BIN her off and get with the groupies, you soft bastard. Grab what you can or you may regret it one day.

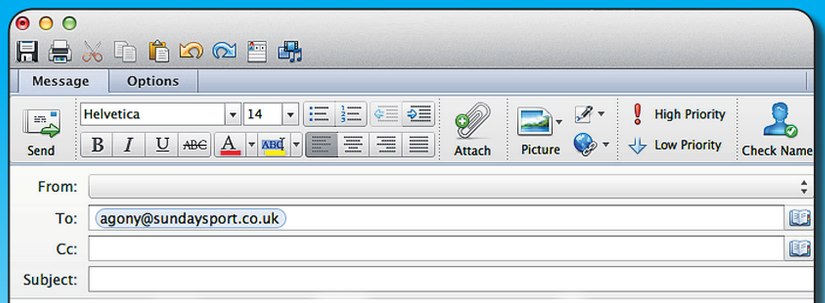
AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week LEXI LOWE has been reading through your letters and emails. Here's her advice...



I'm nailing my glamorous client and her horny pals

Dear Lexi,

UNUSUALLY for a bloke, I'm a nail technician.

And after years working for someone else, I decided to go self-employed.

A couple of weeks ago I found myself at the home of a new female client who had spotted my ad on Facebook.

When she opened the door, I was really pleasantly surprised to see a gorgeous blonde in her mid 30s.

She was wearing a low-cut top and I got a close-up view of her nipples as I sat doing her nails.

I gave her a lovely set of gel nails in a deep red, to match her lipstick.

As I moved round I accidentally brushed against her shoulder with my hard-on but she didn't say anything.

As I was leaving she paid me and asked if I'd call again in a couple of weeks and do her pal's nails, too.

And when I turned up for the second session, the pal turned out to be just as fit.

As I started on her hands, my first customer came and stood behind me and pinched my bum.

Then her pal – also a blonde – unzipped me, reached inside to grasp my rock-hard cock and gave me a top blowjob.

Soon she straddled me and guided me into her wet pussy while the other straddled my face, urging me to lick her clit until she came.

Then we switched positions to do it all again.

They are now regulars – along with a few of their other mates.

But I'm worried I have become a male prostitute.

What do you reckon?

IP, Bucks

Lexi says...

WHY worry? You're getting paid for the manicures, not the sex.

Dear Lexi,

I'm 42 and still a virgin and I don't know what to do about it.

All of my mates have got a great sex life going on and I'm missing out.

I don't know why, as I can talk to any of the slappers my mates do and I always offer to buy them a drink when I'm out.

Last week I was in a club and this bird who I thought was dressed up just like a hooker approached me, after I'd given her the eye.

But she ended up giving me a smack round the face when I just happened to mention she looked like Madonna's older sister.

And the week before that, when I told a tart in a different club that her face would look good stuck on my cock, she just stormed off without even talking to me.

Where am I going wrong?

DG, Cambs

Lexi says...

YOU must have gone to the school of charm and wit!

Lexi says...

LOOKS like delivering the funeral cover letter was just a clever rouse to get some sexy fun with the neighbour!

And why the hell not?!

Carmen's lust for lesbo porn

SUNDAY Sport SUNDAY STUNNA

GUESS how Carmen Gemini scrapes a living?

She licks dripping MINGE all day, that's how!

Nice work if you can get it, huh?

As well as being a top glamour model, Carmen, 29, is a lesbian porno specialist.

Anal

And although she's done plenty of boy-girl scenes on camera – including eyewatering anal sex – it's lesbo where she excels.

By WENDY THOMAS
news@sundaysport.co.uk

Carmen has appeared in flicks including *No Boys Just Toys 6*, *Real European Lesbians Outdoors* and *Big Natural Tits 17*.

Carmen, from Prague in the Czech Republic, purred: "I love having my breasts and my wet vagina interfered with by a sexy lady. I like the lady to fist me in the ass – hard, like a boxer!"
